

## Useful Information for Getting Connected

### Lyme Disease Online Support Group

- Want to learn more about Lyme disease?
- Want to connect with other people?
- Have questions your doctor doesn't have time to answer?

Here's a site where you can communicate with other patients in Minnesota and find out more about Lyme disease. This online support group is a virtual meeting place and source for information and emotional support for people with Lyme and other tick-borne diseases.

Go to: <http://health.groups.yahoo.com/group/minnesotalyme/>

This should take you to a page with the MN high-risk map. Above the map is a blue bar saying "Join this group". Click it. Now you are on a page titled Yahoo Groups. If you have a Yahoo email account or ID, enter that plus your password. If not, go down the list to "Don't have a Yahoo ID?" and click that. Fill in the form and you are then able to join the group.
